

CHARLES FARAM

HOP FACTORS & MERCHANTS SINCE 1865

HARLEQUIN™

A daughter of Godiva™, and grand-daughter of Jester®, Harlequin™ was named after its remarkably patterned bracts. It was first offered commercially in 2019.

Harlequin™ bursts with New World aromatics whilst maintaining a subtle hint of UK terroir. Delicate and tropical in pale beers; it shows unique marmalade and candied fruit notes when used with colored malts.

IN THE BEER

IN THE RUB

TECH SPECS
