

CHARLES FARAM

HOP FACTORS & MERCHANTS SINCE 1865

MOST™

Most™ is a sister to both Jester® and Olicana® and is the first Charles Faram Development Program hop to be grown outside of the UK. It was released commercially in 2020.

Versatile and clean with delicate aromas of stone fruit, the unique flavor profile of Most™ is best displayed when used as a late or dry hop.

IN THE BEER

IN THE RUB
