

CHARLES FARAM

HOP FACTORS & MERCHANTS SINCE 1865

OLICANA®

Olicana® made its commercial debut in 2014. It is a sister of Jester® and a daughter of Cascade. Olicana® is also available processed as a T45 pellet.

The delicate fruity aromatics of Olicana® are most apparent when used as a dry hop or in lighter bodied beers. The T45 pellets provide a greater concentration of its flavor characteristics allowing it to shine in more robust brews.
