# HELPING BREWERS CREATE GREAT BEER SINCE 1865

---

## HOP GROWERS SINCE 1984

---

The company was purchased by a hop growing family. This same family are still the owners today and have been growing hops since the early 1800's

## HOP DEVELOPMENT AND BREEDING SINCE 2009

---

To enhance the range of hop varieties available to brewers and to excite beer drinkers with new flavours and aromas

## HOP PROCESSORS SINCE 2012

---

To reduce time between harvest and processing, we installed our own pelleting facility. This added to the freshpak whole leaf packaging we had pioneered in the 1990's

## HOP GROWER GROUP SINCE 2020

---

Charles Faram Farms was formed to extend our grower family and share contracts equally and fairly amongst the members
