HELPING BREWERS CREATE GREAT BEER SINCE 1865

HOP GROWERS SINCE 1984

The company was purchased by a hop growing family. This same family are still the owners today and have been growing hops since the early 1800's

HOP DEVELOPMENT AND BREEDING SINCE 2009

To enhance the range of hop varieties available to brewers and to excite beer drinkers with new flavours and aromas

HOP PROCESSORS SINCE 2012

To reduce time between harvest and processing, we installed our own pelleting facility. This added to the freshpak whole leaf packaging we had pioneered in the 1990's

HOP GROWER GROUP SINCE 2020

Charles Faram Farms was formed to extend our grower family and share contracts equally and fairly amongst the members
