

**CHARLES  
FARAM**

1865

**ARCHER®**

Archer® is a seedling of Sovereign and was originally bred as an elevated twist on the classic Goldings variety. Released in 2013, it was one of the first graduates of the Charles Faram Hop Development Program.

Archer® adds extra layers of fruit and floral to the classic Goldings profile. It delivers a very clean bitterness and its distinct lime character is enhanced when used in late or dry-hopping.

### IN THE BEER

### IN THE RUB

### TECH SPECS
