

**CHARLES  
FARAM**

1865

**GODIVA™**

A daughter of Jester®, Godiva™ has a unique aroma that signaled promise early in development. It was unveiled as a commercial variety in 2016.

Godiva™ can be used in any application but excels as a backdrop for other hops. In late or dry hopping it increases mouth feel and gives elevated drinkability to your final beer.

### IN THE BEER

CITRUS

FLORAL/HERBAL

WHITE FRUIT
