ELANI™

Discovered growing wild in a river valley in Idaho and originally named YQH-1320, Elani™ was released commercially in 2021 by Yakima Quality Hops.

Equally at home in a mix or as a single hop, Elani™ exhibits clean, bright citrus with a base of warmer tropical fruit when used as a dry hop. Stone fruit and watermelon are more pronounced if used on the hot side.

IN THE BEER

IN THE RUB

TECH SPECS

Alpha Acid	9 - 11%
Beta Acid	6 - 7%
