CHARLES FARAM
1865

MOST™

Most™ is a sister to both Jester® and Olicana® and is the first Charles Faram Development Program hop to be grown outside of the UK. It was released commercially in 2020.

Versatile and clean with a unique flavor profile, Most™ can display red fruit characteristics in darker beers, and adds stone fruit and citrus when used as a late or dry hop in pale brews.

IN THE BEER

IN THE RUB
