Quantum SERIES

A REVOLUTIONARY LEAP FORWARD IN AROMA AND BREWING EFFICIENCY.

The Quantum Series is a suite of **hop-derived, varietal-specific solutions** utilising innovative, ultra-low temp extraction technology to create the finest, **most aromatic hop extracts** on the market.

AZA • CAS • CEN • CHI • CIT • ELD • GODIVA™ GXY • HARLEQUIN® • JESTER® • MOS • NRN NSN • OLICANA® • SIM • STT • VG1

SKYFARM

AUTHENTIC FRUIT FLAVOURS FOR BREWING AND OTHER BEVERAGES.

Technology meets nature. Skyfarm captures the **freshest, most authentic fruit flavours free from synthetic notes or added sugars**. Not all brewers find using purées and juices easy; the Skyfarm range of flavours offers a **very effective and easy alternative.** Experience reduced yield losses and the need for refermentation from consistent-fruit profiles made from botanically derived terpenes.

CLEMENTINE • GRAPEFRUIT • GUAVA • HONEYDEW KIWI • MANGO • PASSION FRUIT • PEACH • PINEAPPLE RASPBERRY • STRAWBERRY • WATERMELON

BREWGAS SERIES

TRUE-TO-TYPE BOTANICALLY-DERIVED CANNABIS FLAVOURS.

Cannabis and hops are **members of the same genetic family.** This range of flavours is formed using hop and fruit terpenes to precisely mimic the profiles of famous California cannabis strains, without using any cannabis plant material. Boosting dank and fruity characteristics with a range of different expressions, each strain adds new and exciting topnotes to your brews.

BLACKBERRY KUSH • GELATO KING LOUIS XIII • OG KUSH PINEAPPLE EXPRESS • SUPER LEMON HAZE

Quantum SERIES

PRODUCT NAME	FLAVOUR/AROMA	DESCRIPTION
AZA	TROPICAL/CITRUS	Azacca™ characteristics ensure that this extract is bursting with tropical fruit and ripe mango notes, with bright citrus top notes and a hint of delicate pine.
CAS	PINE/CITRUS	Cascade is the hop of choice for the most successful American Pale Ales, delivering bright, zesty notes of citrus and a strong bitterness.
CEN	CITRUS/PINE	Centennial is a perennial favourite in some of craft beers most successful brands due to its expression of orangey citrus notes with hints of pine or cedar.
CHI	SPICY/PINE	Chinook has distinctive notes of pine and fresh rose petal, with hints of pineapple making this versatile extract uniquely aromatic and a satisfying flavour.
CIT	CITRUS/WOODY	Citra® was bred to bring balance, spicy woodiness and citrus notes together with a high alpha backbone to create an instant classic.
ELD	TROPICAL/STONE FRUIT	El Dorado® delivers a cornucopia of ripe tropical fruit notes that can only be described as a juicy fruit bomb. Soft pineapple and stone fruit blend with soft floral notes for a truly spectacular addition to many beers.
GODIVA™	CITRUS/SPICY	Godiva ™ displays a sweet spiciness with top notes of tangerine, melon and white grape which make this authentic extract perfect or pale ales, session IPA's and hoppy lagers.
GXY	TROPICAL/BERRY/CITRUS	The high-potency aromatics of this Australian hop are versatile, lush, and oh-so tropical. From IPAs and Pale Ales to Saisons and fruit beers, Galaxy® delivers big flavours of musky passion fruit and citrusy key lime.
HARLEQUIN®	TROPICAL/CITRUS	Harlequin® bursts with New World aromatics whilst maintaining a subtle hint of UK terroir. Pineapple and passion fruit are to the fore with a background of soft stone fruit.
JESTER®	PINE/CITRUS	Jester® jumps with a flavour profile of punchy and resinous and combines dank blackcurrant with a clean grapefruit finish.
MOS	CITRUS/PINE	Mosaic® is a robust blend of funky grapefruit and pine, with light floral notes.
NRN	TROPICAL/DANK/CITRUS	This New Zealand triploid aroma hop delivers the remarkably complex tropical flavours. With subtle base notes of dank, Nectaron® gives new dimensions to juicy passion fruit, pineapple, and grapefruit.
NSN	CITRUS/TROPICAL/FRUITY	This triploid hop from New Zealand is sophisticated and tropical. Nelson Sauvin™ adds bold hop character with white wine fruitiness to any brew, with succulent notes of lychee, passion fruit, and citrus.
OLICANA®	TROPICAL/FLORAL	The delicate fruity aromatics of Olicana® include mango and passion fruit with a sweet floral finish.
SIM	TROPICAL/DANK	Simcoe® defines the balanced catty/blackcurrant and tropical fruit notes so sought after in early West Coas IPAs on through to today's hazy and Milshake IPAs.
STT	TROPICAL/STONE FRUIT	Strata® produces strong tropical fruit notes of mango and passion fruit that are followed by what can only be described as robust dankness.
VG1	FLORAL/CITRUS	Amarillo® is a go-to for brewers looking for sweet citrus flesh notes backed with a more ethereal floral note than woodiness.

SKYFARM

PRODUCT NAME	FLAVOUR/AROMA	DESCRIPTION
CLEMENTINE	CITRUS/TART/FRUITY	Infuse your brews with the latest invention: sunrise-in-a-bottle. Taste the shimmering rays of sweet citrus peeking over the horizon, and let the sunshine in with the breathtaking tartness of juicy Clementine.
GRAPEFRUIT	CITRUS/TART/FRUITY	Experience sky high levels of astonishingly bright Grapefruit. This juicy, spine-tingling citrus fruit will introduce a flavour so tart your lips can't help but slide into a smile.
GUAVA	BERRY/FLORAL/SWEET	It was always ahead of its time, so make sure you've captured the alluring tropical aroma Guava is known for. With its lush floral notes and unique hints of musk, craft beverages are finally ready for this exotic fruit.
HONEYDEW	FRUITY/MELON/SWEET	This space age Honeydew has a neon sweetness that simply hasn't been possible until now. Go from analogue to digital with the out-of-this-world juiciness of ripe melon and iridescent florals.
KIWI	FRUITY/TART/TROPICAL	If you thought this tart tropical aroma was science fiction, think again! We've made first contact with Kiwi, and this little green fruit transmits almost radioactive levels of juicy zest that you'll taste on an atomic level.
MANGO	TART/TROPICAL/CANDY	The true technicolour taste of juicy, ripe Mango is now possible. Step into the future of craft beverage flavour with succulent waves of sweet, lightly sour stone fruit. This is mango as it always should have been.
PASSION FRUIT	FRUITY/TROPICAL/CITRUS	The multidimensional flavour of this tropical fruit seems unreal, but this is no simulation. Passion fruit is marvellously tart and tangy, vividly floral, and it radiates brilliant notes of citrus.
PEACH	TROPICAL/SWEET/WOODY	For the perfect addition to steamy temperatures and dazzling sunshine, revel in the candy-like nectar of prismatic florals and ambrosial stone fruit. It's time to brew with the genuine taste of juicy, juicy Peach.
PINEAPPLE	TART/TROPICAL/CANDY	Send tastebuds into orbit with vibrant tropical fruit and gleaming citrus.
RASPBERRY	BERRY/SWEET/TART	Raspberry will launch your craft beverages into the next era of radical flavour quicker than a shiny, chrome-plated rocket ship. Buckle up. These deep notes of astonishingly tart berries are practically supersonic.
STRAWBERRY	CREAMY/TROPICAL/SWEET	Finally taste Strawberry's authentic multicoloured flavour. Scarlet ripples of lush, ripe berries float across your nose, opening your senses to summer strawberry flavour.
WATERMELON	CREAMY/STONE FRUIT/TROPICAL	Pour, sip, and slip on your shades for a fluorescent light show of ripe melon and dewy summer fruit that perfectly toes the line between candy and floral nectar. Watermelon has never been this juicy.

BREWGAS SERIES

PRODUCT NAME	FLAVOUR/AROMA	DESCRIPTION
BLACKBERRY KUSH	DANK/BERRY	Cannabis nostalgia harmonises with all the glory of hops in loud Blackberry Kush. Dark berries combine with notes of spice and earth to create an exquisitely dank flavour.
GELATO	DANK/FRUITY	Brewers be warned. Berry-forward Gelato brings an exotic blast of blueberry, grape, and the perfect touch of earthy spice and citrus. Cannabis and hops were always destined to reunite, but no one expected it would be this dank.
KING LOUIS XIII	DANK/CITRUS	As the loudest, skunkiest performance of the canna-hops tour, our headliner is none other than King Louis XIII. It's overwhelmingly dank with citric woody top notes and a blast of earthy base. When it reigns, we pour.
OG KUSH	DANK/EARTHY	While its heritage is shrouded in mystery, OG Kush has likely birthed one of the favourite strains. Elements of pine, spice, and earth are elevated with soft floral notes and sharp lemon. You've got to experience the true OG for yourself.
PINEAPPLE EXPRESS	DANK/TROPICAL	Pineapple Express is the tropical stop on the cannabis and hops world tour. Dank pineapple and a lush flavour that's the perfect combo of pine and citrus with hints of light spice and earth.
SUPER LEMON HAZE	PINE/CITRUS	The canna-hops tour bus is grooving across the nation with a burst of all things sharp and zesty thanks to Super Lemon Haze. Notes of citrus and pine fuse with a loud hazy burst for a bright, brew-worthy flavour.

**The BrewGas Series contains no cannabis plant material or THC/CBD and is totally legal.*
